Conference Freshmen To Start Tournament Here Mon. Afternoon

Antioch Will Meet Northbrook Tuesday; Six Teams Competing

Basketball interest will flare in Antioch next week with the playings of the Northwest Conference freshman tournament here Monday, Tuesday and Wednesday.

The Antioch first-year men with several victories under their belt have been practicing diligently to make a good showing. Their first game will be with Northbrook on Tuesday afternoon. All games will be played in the afternoon.

The schedule follows:

Monday (3:30)—Grant vs. Elavon.

(5:00)—Palatine vs. Wauconda.

Tuesday (3:30)—Winner 3:30 vs. winner 5 Monday.

(5:00)—Antioch vs. Northbrook.

Wednesday (4:30)—Winner 3:30 vs. winner 5, Tuesday.

Ken Grever, Lake Zurich will serve as referee.

This is the first inter-school basketball tournament that Antioch has entertained in many years.

The games will be public and the various schools are expected to send rooters.

Wilton Electric Co. to Occupy New Building On Main St. Monday

The Wilton Electric Co., will be back in its old location 924 Main st., Monday, but in a fine new building, and with new equipment.

During the winter the old frame building was removed and a new structure of block with a lannon stone front has taken its place. The building measures well with the other new fronts that are gradually turning Antioch into a modern business place.

Robert Wilton, owner, said that while he will be open for business next week, he will not have his grand opening until later because not all of his equipment which includes new show cases has arrived.

During the time the building was being constructed, Wilton had his shop at Walter Delaney's plumbing shop on Lake st. The lease there ended yesterday. Delaney planned to do some remodeling of his place at an early date.

Mink Auction in Milwaukee Sees Big Demand for Pelts Grown in Antioch Region

Milwaukee, Wis.—Fur buyers from Canada, California and Illinois, bidding against a strong representation from New York, were important factors in the February sale of the American National Cooperative Fur Auction held here Feb. 20. Antioch ranchers attended this auction.

Demand for ranch-raised mink was good and 88 per cent of the 16,000 mink pelts offered were sold at prices close to those obtained in the January sale for skins of comparable quality.

Top prices were \$34.50 for dark standards, \$40.50 for pastel, \$38 for platinum and \$38.50 for near white.

In the sale of sundry goods, other went extremely well and all sections were up in price 40 per cent over the last sale for goods of like quality. Beaver also moved well, as did fisher, the latter bringing a top of \$76.

Over fifty buyers from Toronto, Canada; Los Angeles, Chicago, New York, Philadelphia, Duluth, Minneapolis, Milwaukee and Green Bay, Wis., attended the sale.

The next auction of the American National Cooperative Fur Auction will be held April 3 and 4 at the Hotel Wisconsin, Milwaukee, and a large collection of high quality ranch-raised fox pelts will be offered, as well as mink and sundry goods.

First Run in 50 Days

The Antioch fire department made its first run since Jan. 8 yesterday afternoon when it was called to what is known as the old Peterson property on Park Ave., where a chimney burned out. The department was not needed and the occupants, new to the community, were unaware that the soot of the chimney was burning out.

Lake County Republicans Fall to Endorse Candidate For Circuit Court Judge

Waukegan Republicans were unable to get hinterland delegates to the Central committee meeting Monday night to endorse Bernard M. Decker for circuit court judge and as a result the 95 delegates to the Woodstock district convention Mar. 24 will go uninstructed.

Antioch township delegates are said to lean toward Willis A. Overholser, Libertyville, who is the leading aspirant.

The committee unanimously endorsed Judge William R. Dusher, Rockford, and William M. Carroll, Woodstock.

Basketball Season Ends For Antioch Varsity in Defeat by Crystal Lake

The curtain was dropped for the Antioch high school varsity basketball season Tuesday night when the Sequoits were defeated 71 to 42 by Crystal Lake at the regional tournament in Woodstock.

The Sequoits chose that night to be off form after having played a good brand of ball the preceding six games.

Crystal Lake jumped to an early lead, and led at the first quarter 20 to 7. The score at the half was 34 to 17, and at the third quarter 53 to 27.

The Peterson brothers of Crystal Lake outscored the Haviland brothers, Antioch's greatest threat, to boost their score, although Schneider was high man for Crystal Lake. Lubkeman scored highest for Antioch.

Elgin won the opener from Grant 84 to 56.

At Barrington the Bronchos beat Northbrook and are favored to take the regional. Libertyville nosed out Elia there 46 to 43. Waukegan won from Zion-Benton 50 to 30 and is favored to win the Lake Forest regional.

The outcome of the Woodstock regional is in doubt.

The summary of the Antioch-Crystal Lake game is:

	FG	FT	TP
Rentner	9	2	2
Lubkeman	6	3	1
Pittner	1	1	3
Pregenzner	2	2	6
T. Haviland	2	2	6
B. Haviland	4	2	10
	15	12	42
Crystal Lake (71)			
B. Peterson	8	0	12
Schneider	8	4	20
Calbow	2	1	5
Sayles	5	5	11
Cick	2	1	5
Roderick	0	2	2
J. Peterson	7	2	16
	30	11	71

In a non-conference game, Antioch lost to Libertyville last Friday night there 50 to 56.

The Sequoits started out strong and it looked at the end of the first quarter as if they were going to give the bigger school a trimming. The score at the end of the first quarter was Antioch 16, Libertyville 9.

The situation was reversed in the second quarter and the half ended 29 to 26 in favor of Libertyville. The Wildcats continued to hold the advantage in the third quarter but in the fourth quarter Antioch threatened strongly to win.

Tom Haviland scored 18 points and Buzz tallied 14.

The Fresh-Sophomores team from Antioch avenged the defeat of the varsity by winning the preliminary 31 to 28. Brute Stahmer was high point man with 14 points.

Walter Delaney Recovering From Operation Wed.

Walter Delaney, owner of the Delaney Plumbing company of Antioch and a resident of Lake Catharine, is recovering nicely from an operation performed yesterday at Victory Memorial hospital, Waukegan. He had been suffering intermittent gall-bladder attacks for some time, and had planned to have the operation some time next month. An attack Tuesday evening made speedy action necessary. He will be allowed visitors after today.

Inducted Into Army

Wayne Belcher, of Lake Marie, entered army service through induction today at Fort Sheridan. He didn't know when he left where he would be sent for training. He has been employed at Johns-Manville plant in Waukegan.

Five Township Total To Exceed Polio Fund Receipts of Last Year

A total slightly over last year's collection is expected for the township of Antioch, Newport, Lake Villa, Avon and Grant, Edward Gresen, regional chairman of the March of Dimes drive announced.

Because a few containers are still not collected and several receipt books not turned in at this time, an accurate accounting could not be made at the end of the campaign yesterday.

The following figures were submitted as present receipts:

Antioch, \$1,800; Newport, \$1,100; Lake Villa, \$700; Avon, \$3,400; and Grant \$1,400, a total of \$8,400.

Amounts sent directly to the Waukegan headquarters of the Foundation for Infantile Paralysis are expected to bring the total slightly over the \$8,737 received last year.

Gresen said the fine co-operation of all chairmen enables this year's total to match 1950 even though funds are more difficult to obtain.

He said that Loren D. Sexauer and his helpers obtained a full coverage of Antioch township and maintained an even with 1950 amount.

Warren Sheehan, Lake Villa, obtained workers for the first time and had a 50 per cent increase.

Mrs. Florence Nielsen, Grant township, showed an increase of 80 per cent over 1950.

Newport's increase through efforts of Janette Schlosser and her helpers was 20 per cent.

Mrs. Hazel Kelly, of Avon township averaged about 80 per cent of 1950 which still is exceptional owing to the great amount per capita she obtained in 1950. This year's could not hope to exceed it.

Lions Set April 9 for School Athletic Banquet

The Lions Club has set April 9 as the date on which it will sponsor the annual dinner for the Antioch Township High school athletes. Fathers of the athletes will be invited.

Mayor James McMillen has been made chairman of a committee to obtain some outstanding speaker for the evening.

The club meeting Monday evening at the 19th Hole heard a talk by Father Felix on religious and social conditions in Europe. He spent four months abroad, going to England, Italy, Spain and Palestine, and gave his observations of each country.

Student Council Plans "Fun Night" for Friday At Antioch High School

Fun Night, sponsored by the Antioch High school student council, will be held Friday, Mar. 2. Chairman of the planning committee is Pat Hogan, and assisting on the planning committee are Chase Millsop, Carmen Edmundsen, Carol Loftus, Loraine Steinel, George Swenson, Mary Curnes, Paul Biel, Tom McGreal, Ann Mattson.

Mary Curnes is in charge of the refreshment committee, which will include also Loraine Steinel and Carol Loftus.

Pat Hogan is in charge of the advertising committee. Gail Deltrick, Carmen Edmundsen, Loraine Steinel and Carol Loftus are also on this committee.

Chase Millsop is chairman of the set up committee and working with him are Tom McGreal, Paul Biel, Joe Pechulis, George Swenson, Ronald Scully.

Pat Hogan and Carmen Edmundsen are in charge of the ticket sales. On this committee also is Gail Deltrick.

The games to be played at Fun Night are volleyball, deck tennis, and badminton in the gym; chess and checkers in the study hall, and dancing and ping pong in the auditorium. The music for the dancing will be furnished by name bands.

All are invited to spend an enjoyable evening. A small admission will be charged. The fun will start at 8 p. m. and end at 10:30 p. m.

Buzz on All-Conference Team

Bernard (Buzz) Haviland has been placed on the mythical all-conference team by coaches of the Northwest conference. "Haviland possesses exceptional athletic ability and has developed it through self discipline to a point where he brought satisfaction to himself and honor to the students of Antioch high school," said Principal R. C. Edmundson.

Lake Villa Grade School Nears Completion, and Pupils Brought Together

All pupils of Lake Villa's grade school were housed under one roof today as the result of sufficient progress on the new addition of the school building at Grand ave., and Rte. 21 to accommodate them. Three hundred pupils are enrolled.

Workmen are completing the laying of floor tile and classes were moved in from other buildings of temporary use as fast as the floors were completed. The last class was moved in from Cedar Lake school today.

The new building is the last word in modern equipment. The class rooms have green crayon boards, ceilings designed for acoustics, and 14 lockers for the children's wraps. The rooms are air-conditioned and the steam heat generated through oil furnace controlled by thermostat.

The kitchen is modern in every respect and automatically operated. Folding tables which take care of 200 diners at one time, can be removed so the L-shaped dining room can be used as a playroom.

A spacious room for women teachers, and storage rooms add to the facilities of the new building.

The old building will be removed to give more office space and shower rooms for the gymnasium.

The building will not be entirely completed for several weeks yet, and the grounds not until Apr. 1, but it is useable.

Although Dist. 43 voted \$250,000 in bonds for the project the board issued but \$200,000 worth and no more than that will be spent. The money was borrowed at the exceptionally low rate of 2 1/2 per cent interest.

Members of the P. T. A. will get to inspect the new building Mar. 19, but an open house will not take place until later.

Mobile TB X-Ray Unit Coming to High School

On Wednesday, March 14, the Christmas Seal Mobile Chest X-ray Unit will be located at Antioch Township High school from 10 a. m. to 3:30 p. m., it was announced today by Charles C. Macnamara, Executive Secretary of the Lake County Tuberculosis Association.

Chest x-rays will be taken of all students of the grade and high schools in the vicinity who reacted positively to the tuberculin test given here recently.

Free chest x-rays will also be offered to all teachers and other adult school employees, Macnamara said. The parents of any child who reacted positively to the test are invited to get an x-ray at this time also.

Cow of Armour's Herd Shows High Production

Brattleboro Vt.—With 509 pounds of butterfat and 14,150 pounds of milk to her credit, Oak Crest Rag Apple Colantha, registered Holstein-Friesian cow owned by Laurence Armour, Antioch, has completed a 242-day production test in official Advanced Registry.

She was milked 2 times daily, and was 5 years 3 months of age when she began her testing period. Testing was supervised by the University of Illinois, in cooperation with The Holstein-Friesian Association of America.

Cunningham, Garland, Ed Vos Are Candidates For Village Trustees

Petition to Place Them On Ticket at Election In April

A petition is being circulated for the candidacies of Murrill Cunningham, Ed Vos, and George Garland for village trustees.

Cunningham, already serving as trustee, will seek another term, having been urged by his acquaintances to continue because of his knowledge of and contribution to street work, and to board policies in general.

Vos, who heads the Antioch Lumber Co., is expected to contribute much executive ability to the board. Two of his brothers have served as trustees, but he has never held public office before.

Garland is one of the pioneer members of the Antioch fire department and has served faithfully as its treasurer for a number of years.

The three will run on the same ticket. Jim Mapletorpe, and C. A. Wolfinger whose terms are ending will not be candidates again.

Allendale Lads Wallop Central of Zion 55-30

The once beaten Allendale Tigers continued on their current winning streak last Friday by swamping Central School of Zion, to make them their 11th victim of the season. The Tigers rolled to a 35 to 13 halftime lead. Allendale took 44 shots and made 17 for an amazing 39%. Zion came to life in the second half and outscored the Tigers but their efforts were futile. Bill Schipperley lead scoring for both teams bagging 9 field goals and 1 free throw for 19 points. Detienne lead the losers with 10.

The undefeated Allendale Juniors lost their first game of the season to a tall, powerful Zion Junior five 38 to 31. Zion controlled both backboards and the Tiger cubs found themselves behind 22 to 9 at halftime. Allendale rallied in the second half, but couldn't close the gap. Bob Kossack, lead the Allendale five with 9 points, but Daniels of Zion took scoring honors with 17. The Juniors and the Seniors of Allendale now have identical won lost records of 11 and 1.

Mrs. Charles Kleinoid of Lake Villa Cared for by Concert Artist Daughters

Mrs. Charles Kleinoid of Crooked Lake Oaks, Lake Villa, has returned home from the Passavant hospital in Chicago where she was taken January 25th, because of serious injuries suffered in a fall last November 7th in her home. She is recovering satisfactorily.

Mrs. Kleinoid is being nursed back to health by her two daughters, Evelyn and Hazel Kleinoid, known professionally as Evelyn and Hazel Lenuad, duo-piano concert artists. The girls have toured the country giving concerts; have toured with the famous dance team, Veloz and Yolanda for three years, and they were chosen from thousands of professional artists by Paul Whiteman to appear on his "On Stage America."

They were currently playing an engagement at the internationally famous Hickory House in New York City and receiving great acclaim from the New York critics. Because of their unexpected return home they had to cancel three television shows, one of which was the Kate Smith Hour. Evelyn and Hazel will resume their tour as soon as their mother is in good health.

Economic Highlights

"The relatively low proportion of front-line power in the U. S. military forces is attracting more and more attention," says an article in U. S. News & World Report. "Congress is on the warpath over it. Congressmen want to know why more divisions cannot be made up of messengers, chauffeurs who drive generals, coal shovelers, men in service units of one kind or another. Members of Congress . . . are beginning to ask whether the armed services are wasting man power while demanding more of it."

The crux of the problem can be expressed with a simple set of figures. In the Soviet army, there are nine men in supporting jobs for every 10 men in combat divisions. In the American army, by contrast, 26 men are now used in support units for each 10 men in combat divisions. Proportionately, in other words, the Russians have a lot more gun-carriers than we have.

Military men have an answer for this. Russia's supply routes are far shorter than ours. Secretary Marshall has said, "Our greatest drain is in these long hauls we are involved in, and the fact that all our policy is built on fighting outside this country . . . The Soviets have nothing like that at all." This is a geographical fact about which nothing can be done.

Moreover, there are certain great differences between the U. S. and Soviet forces which explain, to some extent at least, the heavy disparity in the relationship of service troops to fighting troops. For one thing, our forces employ much more complex mechanical equipment, which naturally requires a great many men to maintain and repair it.

Too, by comparison with the Russian soldier, the American soldier is much better cared for, and lives a much more comfortable life. U. S. authorities have been informed, according to U. S. News, that casualty and personnel records are not kept for Russian soldiers below the rank of captain. When one is

killed or wounded, that is the end of the matter, and the family never learns what happened from the government. By our standards, the Russian medical service is cruel and primitive. Apparently the seriously sick and wounded are simply regarded as a needless drain on the army and are left to die. The American army's record in this respect has been magnificent. The most strenuous efforts are given to rescuing those who are incapacitated, and 98.5 per cent of all who reach hospitals live.

So it goes, down a long list of differences. Even so, says U. S. News, "The upshot of it is likely to be that Congress will tell the generals they must squeeze more front-line troops from the man power they already have and the man power they expect to get."

This problem, of course, is just one phase of the general military man power problem. The present pool of draft eligibles will be pretty close to dry before very long. The army wants authority to draft 18-year olds, but Congress, apparently disturbed by letters from the Constituents, is chary of this. It also doesn't want to take veterans, even those of very short service. It wants man 4-F's to be inducted—but here the army is opposed. The Reserves are complaining of unfair treatment and discrimination, and this too has awakened Congressional interest and sympathy. A firm solution to the man power issue—industrial as well as military—seems to lie well in the future.

The Low Down From Hickory Grove

I see they are waiting out the St. Lawrence again. This time it is a defense measure—a "must", they say. Heretofore it was for navigation, for more electric kilowatts, as a friendly gesture to our neighbor Canada, etc., etc. None of these arguments ever held water. There is electricity galore in Canada and in the U. S. A.—on both sides of the river and far beyond. And furthermore, with improvements in methods, steam-electric power is putting water-developed power in the shade. Steam generated power is becoming cheaper. You make it nearer where you use it, and with less long distant transporting line losses.

And navigation—there is not much of same on a river frozen for months on end. If wars could be held only during warm weather, then navigation might be a defense argument, but that would take a mutual agreement with the enemy. It might be hard to arrange. And as to this friendly gesture to Canada affair—Canada is not mad at us, we are not mad at Canada. But getting into a partnership arrangement and building jointly owned dams and power stations could, easy as pie, beget an argument.

Instead of a St. Lawrence dam being a "defense bulwark" to preserve world democracy, it is, if you look under the covers, just plain every day Socialism—dolled up in "defense" regalia—and that is not square shootin', folks.

Yours with the low down,
JO SERRA

YOU MAY BE DEAF! Test Yourself!

Although only a specialist can scientifically determine the type and amount of hearing loss, answering the following questions may give you a clue as to whether your hearing is up to normal.

Write Yes or No

- Do you find people seem to be "mumbling" or slurring their words when they talk to you?
- Do you hear better in noisy places than in quieter ones?
- Are you bothered by head noises or "ringing" in the ears?
- Do harsh loud noises seem actually painful?
- Do you find that, at one moment, you cannot hear someone speaking to you and, at the next, they seem to be shouting?
- Can you hear the sound of a voice but find it difficult or impossible to understand what is being said?
- Do you seem to hear better with one ear than the other?
- When a group of people are talking, do you seem to have trouble hearing?
- Do you have trouble hearing when going to church, listening to the radio, television, or when seeing a movie . . . do you have trouble hearing your children, grandchildren?

If your answer to any one of the above questions is "Yes," you may have a hearing loss. If your answer is yes to more than one question, your hearing is probably impaired. In either case, you should send for the FREE book "New Discoveries to Help the Deaf Hear" or see your local Bellone Hearing Service Consultant at

"GIVE ME THIS '51 DODGE for long life...dependability"

"I've driven Dodge cars for years...know from experience that you just can't beat a Dodge for **DEPENDABILITY**"
—Says Don B. Alford, Chicago, Ill.

Here's why Dodge delivers more miles per dollar

EVERYTHING about this great new '51 Dodge—the way it looks, feels, rides and handles—tells you that here's a car that's built to last. It's a car that's stunning to look at, with plenty of head, leg and shoulder room—a car engineered from bumper to bumper, to last longer, go farther at lower cost.

Spend 5 Minutes With Us
Five short minutes behind the wheel will tell you why this is the car for you—for the years ahead. You'll find that the new Oriflow

Shock Absorbers not only give you a truly new kind of ride—but the resulting smoothness and freedom from wheel "hop" and "bounce" mean less car wear, prolong car life. Famous Dodge Fluid Drive, with its smoother starts and stops, "cushions" all moving parts from engine to rear wheels—adds to car life, saves tires, lowers costs.

LAKE VILLA

The Woman's Society of Christian Service will meet Wednesday afternoon, March 7, and Mrs. Helen Weber and Mrs. Gertrude Willey will be hostesses. The ladies are working on plans for their summer sale.

Mrs. Helen Weber and her mother, Mrs. Florence Kerr, spent the first of the week in Evanston with the George Mitchell family, and Mrs. Weber went on to Bloomington Ill., to visit her brother, Edgar Kerr, who has been ill.

Mr. and Mrs. Kenneth McNamara and children, of Grayslake, spent Sunday afternoon with Mrs. McNamara's mother, Mrs. Clifton Bray at Buena Park.

Mr. and Mrs. William Walker and their family including Edward and Oliver Walker, the George Walkers from Libertyville and Mr. and Mrs. Richard Grutzmacher, of Evanston, were guests of Mr. and Mrs. Everett Lucas in Waukegan, in celebration of their daughter, Sharon's third birthday.

Mr. and Mrs. Lloyd Repke and daughter and Mr. and Mrs. Repke, Sr., of Northbrook, were guests of

Mrs. Anne Nelson last Sunday and attended church services here.

Mr. and Mrs. Clarence Blumen-schein spent Sunday afternoon at the Herman Kelsler home near Twin Lakes, Wis.

Mr. and Mrs. Gus Hassler and family of Fond du Lac, Wis., spent Sunday with Mrs. Hassler's sister, Mrs. Henry Nader and husband, and Mrs. Nader's nephew, Kermith Ken-nitz, of New York, was with them for the weekend.

The ladies of the Sewing Club enjoyed a luncheon with Mrs. Marie Hamlin on Thursday afternoon last week.

Mrs. Carl Ekdahl and Carlene were Burlington visitors last week Friday.

Mrs. Helen Fish, recorder of Cedar Lake Camp Royal Neighbors and Mrs. Cora Hamlin, receiver, represented the Camp at a school of instruction for recorders and receivers at the Palmer House in Chicago on Wednesday last week.

Mrs. B. J. Hooper visited her sister, Mrs. Eleanor Gilmore, at the Columbus hospital in Chicago last Wednesday and reports that she is improving slowly.

Mrs. Catherine Boehm Reynolds, of Alexandria, Va., spent a few days

last week with her parents, Mr. and Mrs. Al Boehm, near Wedge's Corners.

Mr. and Mrs. Joe Nader, Sr., accompanied by Mrs. Ralph Nader and daughter, Linda, left last Thursday to visit their son and husband who is stationed at army camp, Ft. Riley, Kansas. They returned on Monday.

Mr. and Mrs. J. G. Poulton, of Hebron, Ill., were guests of Mrs. C. B. Hamlin on Tuesday last week.

Mrs. Paul Avery, Sr., was quite ill at her home at Cedar Lake during the past week.

Doughnuts

A few whole cloves placed in the kettle of fat when frying doughnuts will produce a delicious flavor.

Household Hint

Sprinkled clothes will dampen evenly if they are folded, rather than rolled, and wrapped in oiled silk or a rubber sheet.

Parisian Tobacco Shop

The tobacco shops of Paris are distinguished at night by diamond-shaped red lamps which brightly illuminate the narrow streets.

Sleight of Eye

If a color seems too bright, a decorator will show you that you can sometimes tone it down by placing a brighter color next to it.

USERS AMAZED BY
SPECTACULAR RESULTS

Read this exact quotation from a letter from Mr. Lyman McKee of the McKee Bros. Farm at Madison, Wis.: "We started feeding about 50 pigs on the MYZON feeding program about September 1st. One of the first things I noticed was that their appetites and general activity improved. This was followed by a marked increase in weight."

Here's what another actual user says in praise of MYZON COMPOUND. Mr. Ivan Eichenbach of Baraboo, Wisconsin writes: "A few of my pigs which were a great deal behind the others when I began using MYZON, have shown much improvement. I can certainly say I have been very well pleased with the results I have had from using MYZON."

**MYZON
COMPOUND**

Get MYZON COMPOUND in 20, 40 or 100 lb. drums at:

Antioch Milling Co.

Phone Antioch 10

Antioch, Ill.

MYZON COMPOUND promises faster growth, better health, increased egg hatchability! Pigs show as much as 30% greater gains in four months!

You've heard and read in your Farm Papers about Terramycin—the wonder drug that has done so much to improve hog and poultry rations. Now scientists have combined Terramycin with other important vitamins and minerals to produce a compound called MYZON. Tests prove that MYZON produces faster growth in hogs and poultry. So if you want faster gains in hogs and poultry, lower chick mortality, better egg production, start using MYZON today!

IT'S EASY TO USE MYZON
JUST ADD TO REGULAR FEED

Just mix MYZON COMPOUND with your own feed, adding salt and low-cost vegetable proteins. See for yourself how your animals brighten up, eat more, and gain in weight. MYZON saves you days of labor—saves you expensive feed because animals get to market size faster!

MYZON compound contains not only liberal amounts of the wonder drug Terramycin but all other known vitamins and minerals, ardently supplied by animal or fish products.

To Northwestern University...

On Its 100th Anniversary

WE WHO LIVE in Northern Illinois are perhaps more aware than the rest of the world that here in our midst a great university has grown and reached maturity. But the influence of Northwestern and the products of its work are cherished wherever the arts and sciences have contributed to human progress.

Much of America's basic philosophy can be gained from a study of this institution's history—from its small beginning in the middle of the past century to its present leadership in education. And still more of what we all hope for is seen in the prospect of services Northwestern is yet to perform—from the promise it offers to the future of medicine, of law, of technology, of commerce, of culture, and of peace.

To Northwestern University after a hundred years, and to its great teachers of yesterday, today and tomorrow—our gratitude and our congratulations!

Mrs. John Otfedahl and her committee will serve refreshments.

GRASS LAKE COUNTY FAIR A SUCCESS

As a rule, a County Fair is usually a success, and the one given by the Grass Lake School P. T. A. a week ago Saturday evening was no exception. The games, food and various "booths" were enjoyed and eagerly participated in by all. The turnout and total response was extremely good in spite of the inclement weather.

The committee would like to take this opportunity to thank all those who assisted them in taking care of the booths, etc.; to those who gave so generously in their donations of baked goods, hand craft work, "White Elephants" and rummage. Special thanks are given to Lasco Greenhouse, Gambles, Barnstable and Brogan, Williams Dept. Store, Ted's Sweet Shop and Reeves Drug Store for their various donations. All this cooperation was what made the Fair a success and many thanks again for your generosity both in donations and attendance.

WESLEY CIRCLE TO HAVE LUNCHEON

The Wesley circle of the Methodist church will have a dessert luncheon at 1:30 p. m. on March 7, at the church. Mrs. David Deering's circle will serve the refreshments.

Mrs. V. J. Keeney will lead the devotion. Mrs. Einar Petersen will lead the discussion on "Chant to the Living."

Mrs. Cain will entertain the Board of the Wesley Circle with a 1 o'clock luncheon at her home on Friday, March 2.

M. Y. F. NEWS

The Intermediate M. Y. F. will meet at 2 o'clock Sunday at the Methodist church for outdoor recreation, weather permitting. Don Cardiff will lead the discussion.

The Antioch M. Y. F. will meet with the M. Y. F. groups of Salem and Bristol at the Methodist church Antioch, on Sunday. Supper will be at 6 o'clock.

A Debutante team from the Garrett Biblical Institute in Evanston will lead the recreation and worship service, the discussion being "On Choosing a Christian Vocation."

GRASS LAKE GIRL SCOUTS HAVE NEW LEADER

Mrs. Kate Halvorsen is the new leader and Mrs. Marcella Jesse co-leader of Grass Lake Girl Scout Troop No. 6.

The girls are busy working on projects which they will display at the Lakeside Girl Scout Council Exhibit at Round Lake on April 14.

The group is very grateful to the Women's Auxiliary, V. F. W. for their donation of the American flag to the troop, and they also want to thank the members of the Grass Lake P. T. A. who donated the troop flag.

ST. IGNATIUS TO HAVE LENTEN LUNCHEON

The Ladies Auxiliary of St. Ignatius church will hold their second Lenten luncheon on March 8th from 11 to 1.

The chairmen in charge of this luncheon are Mrs. Don Stowe and Mrs. Orin Hostettler.

MR. AND MRS. OHLGREN HOLD OPEN HOUSE

Mr. and Mrs. Richard Ohlgren, of Felters Subdivision celebrated their twenty-fifth wedding anniversary Sunday, February 25, by holding open house.

Their many relatives and friends who called to wish them well, enjoyed a 5 o'clock buffet supper.

CARD OF THANKS

I would like to thank all my friends and relatives, The American Legion and Auxiliary, The V. F. W. and Auxiliary, The Moose Lodge, and the Women of the Moose for the cards and letters sent to me during my stay in the hospital.

LISTEN

Are you hungry?
Have you been thirsty—for God?

In this day of haste, and toil, and some enjoyment, and some hardships and sorrows and doubts and fears, we might well become engulfed with the material necessities of life and not be aware that our soul is languishing.

"Ho, everyone that thirsteth, come ye to the waters, and he that hath no money; come ye buy and eat; yea come, buy wine and milk without money and without price."

Wherefore do ye spend money for that which is not bread? and your labour for that which satisfieth not? hearken diligently unto me, and eat ye that which is good, and let your soul delight itself in fatness.

Incline your ear, and come unto me; hear and your soul shall live!"

—Isa. 55:1-3
Through prayer we learn to know God.

SHORT STORY

Rooms For Rent

By Dorothy Boys Kilian

"HONEY, YOU DON'T really think you can rent these rooms for the summer, do you?" Dick Shipley, still in his greasy coveralls, frowned as he found his pretty young wife sitting on the wide-board floor in an upstairs bedroom, mending a faded blue rag rug.

3-Minute Fiction

Margaret stood up slowly and planted a kiss on his smudgy cheek. "We want to have a nice crib and other things for our first baby, don't we, darling? And that takes money—more than we've got to spend."

"Maybe I could take another job in the evenings, or something."

"Why, Dick, you're exhausted when you come home from the garage; and lots of times you don't even get here until eight or nine."

"Yeh, I know. Startling a new business means no money and no free time for a while."

"Well, this house your mother left us has more rooms than we need for ourselves."

"But just look at the furniture!" Dick waved an arm at the room in general. "You sit in that wooden rocker for ten minutes and those slats make a prison bar pattern on your back. The bed's so high you need a Pullman ladder to climb into it, and that wash stand—"

"I think it's all kind of quaint," Margaret said placidly. Dick snorted. "People on vacation want to be comfortable, not quaint. And besides, think where we're located; practically out in the country, the opposite end of town from the lake and all the amusements."

"It's nice and quiet, though," Margaret insisted.

Dick shrugged. "I give up. But I hate to see you slaving away up here."

"Oh well, the doctor says I need plenty of exercise," Margaret said soothingly.

"There's the doorbell, I'll get it." Dick, still looking troubled, started downstairs.

A portly, pink-cheeked old gentleman stood on the porch. "This is the Shipley residence?"

"Why, yes," Dick looked goggle-eyed past him to the long shiny black car parked in front of the house.

"May I speak to Mrs. Shipley?"

"I'm Mrs. Shipley," Margaret called from the top of the stairs.

"I am Mr. Frost of Big Rapids. You have some rooms for rent?"

"Yes. Please come up and I'll show them to you," Margaret answered.

Dick stayed downstairs and listened glumly to the foot-steps overhead. He winced as he heard the bathroom door squeak and imagined Mr. Frost's first view of the old tub standing high on its claw feet.

There was a lengthy murmur of voices in the upstairs hall. Then down came Mr. Frost, a hand on Margaret's elbow, and she accepting the little attention as the most natural thing in the world.

"Well, it's all settled then," Mr. Frost was saying. "We'll take the two rooms for the summer. Yes"

Margaret stood up slowly, put her arms around his neck and planted a kiss on his smudgy cheek.

Mr. Frost said, "My wife saw that and said it made her think of a Currier and Ives print."

He handed Margaret some bills, put on his grey homburg, and stepped briskly out the door.

Dick turned quickly toward Margaret. "Your greatest triumph, honey, is that you've managed not to look triumphant."

ANOTHER ENROLLMENT IN BLUE CROSS SCHEDULED FOR LAKE COUNTY

Maternity Care an Important Blue Cross Benefit

Blue Cross protection against the costs of hospital care will be extended to more eligible Lake County residents during a special enrollment sponsored by the Lake County Health Improvement Association. The enrollment will open February 19 and will continue through March 3.

Maternity care benefits will be available for Blue Cross members who enroll after 270 consecutive days on the Family Certificate. The newborn infant immediately becomes eligible for all Blue Cross benefits and is entitled to receive the best hospital care available. Each Blue Cross member receives 30 days of hospital care service benefits in each calendar year plus an additional 90 days when half the cost of Blue Cross benefits received is paid by the Plan.

OUR DEMOCRACY—by Mat

WASHINGTON'S WAS THE HARD WAY

THE GENIUS OF GEORGE WASHINGTON AS A LEADER AND HIS FORCEFULNESS AS A MAN STEMMED FROM A QUALITY HIS NEIGHBORS EARLY REMARKED ON—AN UNUSUAL ABILITY FOR "APPLYING HIMSELF TO THE JOB AHEAD."

AS A SOLDIER, AS COMMANDER-IN-CHIEF, HE TRANSLATED THIS QUALITY INTO A GRIM DETERMINATION, AN ENORMOUS CAPACITY FOR WORK, TO WIN THROUGH AGAINST ALL DISCOURAGEMENTS IN THE COLONISTS' FIGHT FOR FREEDOM.

TO MEET THE THREAT OF WAR, THAT OUR DEMOCRACY FACES TODAY, ALL OF US MUST "APPLY OURSELVES TO THE JOB AT HAND—THE TASK OF DEFENDING AND MAINTAINING THE FREEDOM THAT WASHINGTON WON FOR US THE HARD WAY."

Drunken Driver Test To Be Demonstrated At Men's Club Meeting

Judge Harry Porter will speak at the Antioch Men's Club on Monday evening, March 5, to be held at the Methodist church with a dinner beginning at 7 o'clock. The club is sponsored by the Antioch Methodist church and is open to all men who wish to attend.

The speaker comes well qualified. At present he is the chief justice of the Municipal Court of Evanston. From 1939 to 1941 he was chairman of the committee on tests for intoxication. National Safety Council for the years 1936-39 and 1944-49. During the years of 1945 and 1950, the speaker was chairman of the subcommittee on courts, Governor's Highway. Judge Porter has been a member on numerous driving and safety committees on both state and national enforcement bodies.

During his lecture he will demonstrate the famed "drunk driver test." Lt. Frank M. Andrews, Jr., commanding officer of the traffic division of the department of police in Evanston, will assist the Judge in this demonstration. Lt. Andrews is also director of the bureau of accident prevention for the police department of Evanston. Tickets are available at the Antioch News office.

Stratton Submits Lower Budget for Treasurer's Office at Springfield

Springfield—State Treasurer William G. Stratton today submitted a budget calling for a decrease in the operational expense of that office of \$98,690.00 for the next two years.

Appearing in person before the State Budgetary Commission, Stratton outlined his budget which calls for an expenditure of \$1,096,590.00 for the next two years. This compares with the \$1,195,280.00 appropriated for the previous biennium.

Stratton in asking for this greatly reduced budget said, "people are tired of paying exorbitant taxes in order to maintain extravagant management in public office. These are trying times for everybody's pocketbook."

"The prodigal use of taxpayer's money must be stopped. This reduction, I believe, is a start in the right direction," Stratton declared.

Dan Williams Leaves Muncie, Ind. Library For Des Moines, Iowa

Dan A. Williams, son of Dr. and Mrs. R. D. Williams, of Antioch, has resigned as chief librarian at the Muncie (Indiana) Public Library to become associate librarian and eventually chief librarian of the system in Des Moines, Ia. He will begin his new duties, Apr. 1.

The Muncie Star in its leading editorial Jan. 31 said:

"In approximately five and one-half years Mr. Williams has expanded the library's reference department, has extended greatly the scope of the business and technical collection, has added to the special collections, and with the co-operation of the Muncie Star and Muncie Evening Press has begun a program of microfilming the newspaper files, the expense being borne jointly by library and the newspapers. In addition to these there have been other improvements and extension of services."

"The main library and its branches comprise an institution in which the people of Muncie and Center township well may be proud of."

"As librarian Mr. Williams has been energetic, aggressive, and forward looking and we hope the library board will be able to replace him with an equally competent librarian."

Saturday Year's Deadline For Blue Cross Insurance

Saturday has been set as the final date for eligible Lake County residents to enroll in the current Blue Cross Plan for Hospital Care enrollment which opened February 19. Mrs. Curtis Wells, Rte. 173 is chairman for Antioch, and can be called for information. The Lake County Health Improvement Association is sponsoring the enrollment. Blue Cross membership is available to Lake county farmers, Farm and Home Bureau members, and resident of Mundelein, Wauconda, Fox Lake, Antioch, Gurnee, Round Lake, Grayslake and Lake Zurich who are self-employed or working in groups of fewer than five persons. The subscriber must be under 66 years old, but may enroll a husband or wife who is older. Once enrolled, there is no age limit. All unmarried children under 19 years of age are eligible to be enrolled under a family contract and receive the same broad protection as the subscriber.

The Save-the-Redwoods league is included in about 30 wills of which it has been informed. There are no doubt, a number of others of which it has not been apprised.

Steel Titan
For every ton of steel poured by Russia and her satellites, it is estimated nearly three tons were poured in the United States in the first half of 1950.

Army Enlistees To Go To Ft. Sheridan

All Lake County men enlisting for the Army will be sent to the Reception Center at Fort Sheridan, effective March 1. In accordance with latest Army directives, it was announced by Sgt. 1/c Miles I. Lihn, Recruiting Officer for this area.

Originally, enlistees from this area had been sent to Fort Leonard Wood, Mo., and then to Camp Breckinridge, Ky., for their basic training. Local men now joining up can look forward to remaining close to home for a while.

These changes are due, generally, to the increased enlistment rate being enjoyed by the Army, and to changes in the training programs. Recruit training now covers a minimum period of 14 weeks, the primary phase consisting of 6 weeks general basic followed by an 8 week period in which the new soldiers receive specialized training for the branch to which they have been assigned.

Grayslake Volunteer Fire Dept.

Every month we hear of a fire at some farm, a home or some community building. We of the Lake-Cook Farm Supply Co., are very interested in promoting safety and the prevention of fires. Every farmer and home owner has fire hazards about their place. Listen in over station WKRS to members of the volunteer Grayslake Fire Department. They will tell of experiences they have had; and the various causes of fires. They will also tell what you at home can do to help prevent and control fires.

The men who will represent the fire department are Mr. Arthur Horenberger, Mr. E. Erickson, Mr. Merrill Tegen and Mr. Allen McMillan. Mr. McMillan is the oldest active fire chief in this district; in fact, we believe in the United States. Hear him Tuesday, March 13 over the radio at 1 to 1:30 p. m.

Nickel was the fourteenth metal to be recognized and the seventeenth element to be discovered. It was isolated and named by Cronstedt, a Swedish scientist, in 1751.

Sleeping Pills
The habit of taking sleeping pills is a dangerous as well as an unnecessary habit. Many deaths are recorded with the cause listed as an over-dose of sleeping pills.

Highest Gas Tax
Louisiana has the highest gasoline tax in the United States.

Douglas Fir Bark
Research at the Oregon Forests Products laboratory has revealed that Douglas fir bark contains from 8 to 18% (based on oven dry weight) of a condensed tannin.

First Coldest Nail
Jeremiah Wilkinson, of Cumberland, Rhode Island, is said to have cut from iron sheets "the first coldest nail in the world."

Steel for Soldiers
A medieval knight and his steed might together carry as much as 200 pounds of iron and steel. For each soldier in America's fighting forces in the first year of World War II, the nation produced 24,600 pounds of steel.

The Honorable Anton Macrowski, Jr.
Mayor of North Chicago

Harmon Woodworth
President of the Village Board, Lake Bluff

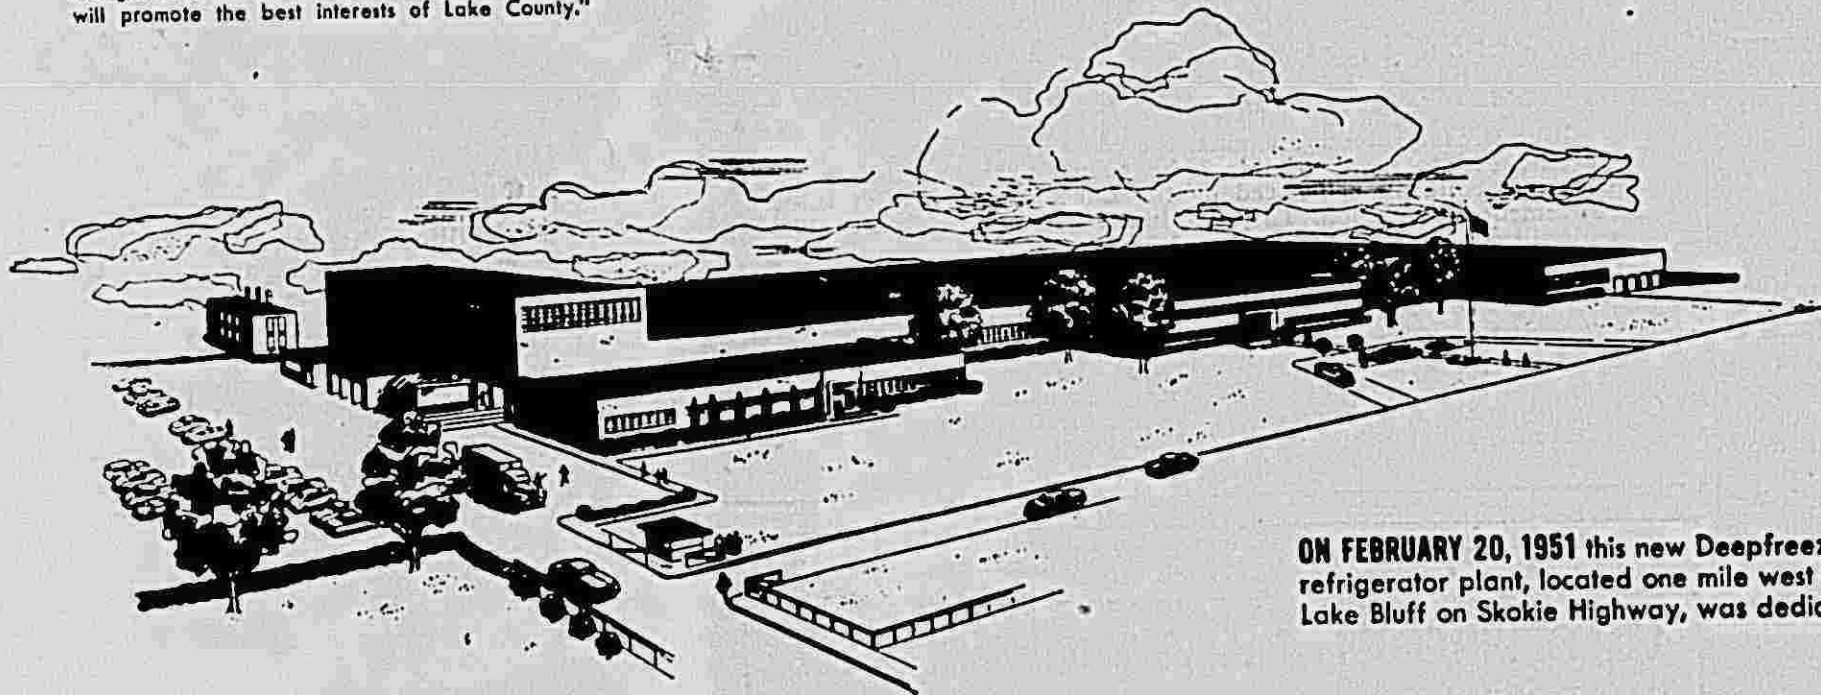

The Honorable R. E. Coulson
Mayor of Waukegan

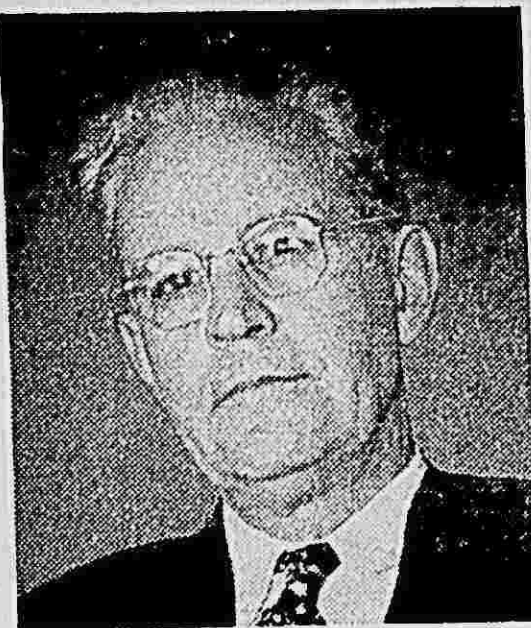

"Eleven years ago we welcomed the Deepfreeze Home Freezer plant to North Chicago. Now we are equally glad that its 'twin'—the new refrigerator plant—is here in Lake County. The new plant means jobs close to home for our people, and increased recognition of our community. I'm sure the new plant will promote the best interests of Lake County."

"All of Lake County is glad to welcome the new Deepfreeze refrigerator plant. The Deepfreeze people have a fine reputation for good working conditions and excellent employee relations."

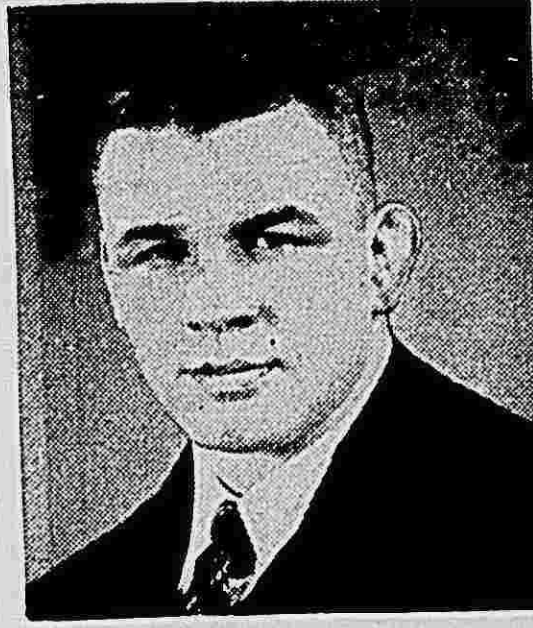

"The new Deepfreeze plant is one of the most attractive, modern plants in Lake County. It is a most desirable addition to the industrial growth of our community."

ON FEBRUARY 20, 1951 this new Deepfreeze refrigerator plant, located one mile west of Lake Bluff on Skokie Highway, was dedicated.

Frank Dickson
President of the Village Board, Wauconda

The Honorable James W. McMillen
Mayor of Antioch

The Honorable Richard F. Hire
Mayor of Zion

"I am tremendously interested in all new civic and economic developments in Lake County. The new Deepfreeze refrigerator plant means more jobs, more wages, and a greater development of our community."

"When the new Deepfreeze plant opened its doors, job opportunities for 800 new employees were created. This is good for our citizens, our trades people, and for all of Lake County. My best wishes to the Deepfreeze people."

"I am happy to see the new Deepfreeze plant in Lake County. This industrial development will help promote the best interests of our community."

Glad To Be Here . . . Thank You!

HEALTH HINTS
for LIVESTOCK
PREPARED BY
AMERICAN FOUNDATION FOR ANIMAL HEALTHPOISONOUS PLANTS
THREAT TO STOCK

Poisonous plants cause American livestock raisers many million dollars in death losses and sickness each year.

Trouble of this type is more apt to occur among young animals—

Plants cause many livestock losses.

among those subjected to poor pastures, or livestock that has been moved to new pastures.

Most state colleges supply good bulletins which help owners identify the common poisonous plants of their region. Or, any veterinarian will give information on seasonal poison plant hazards.

Many of the noxious plants such as

young cockleburrs, Jimson weeds, nightshade, larkspur or young hemp contain specific poisons. Another large group of growing forage of the sorghum family such as Sudan or arrow grass and cane may contain prussic acid, especially if frozen, stunted or wilted. Other plants sensitize animals to the rays of sunlight, causing serious skin trouble or swollen heads.

One great danger is that spotty animal losses may be ascribed to poison plants when the true cause is some contagion like blackleg or anthrax. When doubt as to cause exists, skilled consultation should be sought at once.

If a livestock owner suspects that a pasture may contain poisonous forage, he can cut down his risk by allowing one of his least valuable animals to graze there.

If the animal is unaffected after 10 days or two weeks, the pasture probably is safe. But as a double check, the owner should keep close watch on the animals. He should also keep antidotes on hand which he can give as first aid before the veterinarian arrives.

Raw Apples
Apples vary in food value according to the variety, season, and length of storage; but, generally speaking, raw apples with the skins left on are the most nutritious.

R.O.T.C. Units
In a survey by Colonel Clarence E. Lovejoy, educational consultant and college analyst, 241 colleges and universities were found to have R. O. T. C. units of the army, navy and air force.

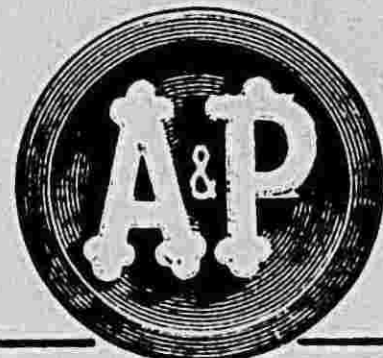

Atomic Age
New trackless trolleys and buses are being designed so they can easily be converted into emergency ambulances, according to civil defense authorities.

Christmas Tree Market
It is estimated that the United States consumes between eight and 12 million Christmas trees, and Canada about one million trees, each year.

First Railroad
The Granite railway of Massachusetts, was the first railroad in the United States. It was horse-operated, and was built in 1826. It ran from a quarry at Quincy down to tidewater, and is now part of the New Haven.
